being world-class...

HIRE ELITE ATHLETES

Be world-class for the rest of your life. Make career path development part of your training and prepare to win not just in the "Games" but in the game of life. Win both competitions!

You are used to being world-class. Nothing less will do. One day you will retire; will you still be world-class? You should. You could. Hire Elite Athletes can help!

**You are elite and  
you have a gift.  
Let that gift serve  
you for life!**

Contact Hire Elite Athletes  
(HEA) and learn how to be  
world-class for life!

## What do I do now?

Hire Elite Athletes understands the challenges and needs elite athletes face with transition. We also understand the incredible impact and value elite athletes can deliver to premier organizations. HEA has built the bridge that connects these two groups together.

HIRE ELITE ATHLETES

Hire Elite Athletes assists athletes facing transition with job opportunities, internship opportunities, and career path development opportunities by connecting you with our corporate partners.

Placing world-class performers with world-class organizations yields world-class results.

HIRE ELITE ATHLETES

## **OUR MISSION**

Establish a culture that values athlete career development as a performance enhancer, enabling successful athlete transition from elite sport to business career when the time is right. This unique offering for athletes will enhance their sport performance, mitigate the difficulties associated with the transition away from elite sport, and provide them with guidance and tools that will enhance their lives and the lives of their families forever.
